

How to generate your QR code:

1. Go to **Warehouse**
2. Select **Settings**
3. Scroll to **Gate Management**
4. Click **Check-in Banner (Portrait)**
5. Print or Download the banner for display

Important: The QR code shown in this guide is from a demo environment and is provided for illustration purposes only.

Be sure to generate and post the Driver Check-In QR code from **your own warehouse settings** before going live.

📍 DANNY'S DISTRIBUTION - CHICAGO

Quick check-in

Instructions:

1. Open your camera app and scan the code.
2. Tap the link that appears.
3. Follow the on-screen instructions.
4. Keep an eye on your text messages--your dock door assignment and other important details will be sent via SMS after check-in.
